

A new immersive experience at the historic Bethnal Green Town Hall Hotel
from the creator of *Accomplice* and *Goosebumps Live*

Danielle Tarento presents the UK première of

THE GRIFT

AT THE TOWN HALL HOTEL
A PRACTICE IN THE ART OF DECEPTION

conceived, written and directed by Tom Salamon

Part theatre and part game, **The Grift** is an immersive, site-specific experience that will get its UK première staged in the historic Town Hall Hotel in London's Bethnal Green.

Dropping its audience of just 50 a show into the middle of an adventure in which they are trained in the art of the con, participants will meet characters, solve clues and get a masterclass in the ways of the grifter, all in the interest of pulling off one final swindle to take down a seamy criminal mastermind. They will have their intelligence tested and get trained in scams like The Pig In The Poke, The Round-The Corner, and The Money Swap...but in the end will they be sharp enough to take down an evil genius at his own game?

An experience unlike anything ever performed on a stage, **The Grift** will sweep its audience into a thrilling adventure, turning everyday theatergoers into master con men. And when the show ends? They'll be released back into the world with a whole new skill set—one that can pay off for years to come.

The Grift, conceived, written and directed by Tom Salamon - making his return to the UK after immersive successes *Accomplice* at the Menier Chocolate Factory and *Goosebumps Alive* in The Vaults at Waterloo - is produced by award-winning Danielle Tarento (*Titanic*, *Ragtime*, *Le Grand Mort*, *Dogfight*). It starts previewing on Tuesday 23 January, 2018 and will run to Sunday 25 March, 2018.

There are 7 press performances: Friday 26 January at 8pm, Saturday 27 January at 2pm, 5pm & 8pm, Sunday 28 January at 2pm & 5pm, Tuesday 30 January at 8pm - all reviews are strictly embargoed to 10pm on Tuesday 30 January.

Writer-director Tom Salamon said: "I'm thrilled to be returning to the 'seen-it- all' sophisticated audiences of London, they're up for anything and love to get involved and play along and I think we're giving them something entirely unique that they haven't experienced before."

The Grift premièred in the US in 2105 to rave reviews and sold-out performances in San Deigo, California, produced by La Jolla Playhouse.
